

---

***[DESIGNATE RELAY STATION PRIOR TO BEGINNING NET – Please note: Only the relay station should be queried for missed check-ins or to relay traffic not understood by net control.]***

***[If necessary, also designate a station to count check-ins if you cannot do it yourself.]***

Good evening. My name is ***[NAME & CALL]***, and I am Net Control Operator for the York Radio Club 2-Meter weekly Traffic and Information Net. The net meets Monday evenings at 8:00 PM local time on 147.42 MHz, operating simplex, and operates under our club call, W9YRC - All check-ins are welcome.

If any station has emergency or priority traffic, please call Net Control now – emergency or priority traffic ONLY. ***[PAUSE FOR TRAFFIC]***

Before taking check-ins, I'd like to remind you that the York Radio Club's 6 Meter Roundtable Net, held on 50.150 MHz. upper sideband, will begin immediately upon the conclusion of this net. All amateurs are welcome to check in to the 6 Meter Roundtable Net once this net is over.

**This net is a Directed Net. Please channel all communications through net control.**

This Net has three Segments:

- A Traffic & Information Segment,
- A Swap & Shop Segment,
- A Tech Segment for any questions or requests for information you may have.

We now proceed to check-ins. Please state if you have traffic when you check in.

W9YRC begins by calling for any low power or mobile stations that may soon be out of range?

Low power or mobile stations only please. ***[PAUSE FOR CHECK-INS]***

We will now proceed with our regular check-in roster. ***[BEGIN CALLING THE ROLL. ACKNOWLEDGE EACH CHECK-IN.]***

**[AFTER COMPLETING THE ROLL:]**

W9YRC calls any regular check-ins wishing to check-in late. Please call Net Control now.

**[Keep an eye on the clock. Be sure to identify as W9YRC every 10 minutes.]**

**[AFTER ANY RESPONSES, Query the relay station for possible missed check-ins from any of the above check-in segments.]**

**[AFTER ANY RESPONSES:]**

W9YRC Portable now calls any interested amateur radio operators. Those who check in regularly will be added to our regular roster. Please call net control now.

**[AFTER ANY RESPONSES, Query the relay station for possible missed check-ins from any of the above check-in segments.]**

Tonight, \_\_\_\_\_ people checked in to the net. *[Or call the station counting for you and ask the count.]*

**[NOTE ABOUT TRAFFIC: MANY STATIONS WHO SOUND STRONG TO YOU MAY SOUND VERY WEAK TO OTHERS OR MAY NOT EVEN BE HEARD BY THEM AT ALL. AFTER EACH TRAFFIC ITEM, ASK WHETHER ANYONE NEEDS THE ITEM REPEATED BY YOU – EVERYONE CAN HEAR YOU!]**

Proceeding to our Traffic Segment, W9YRC calls **[CALL THE FIRST ON THE LIST]**: please pass your traffic now. **[CONTINUE UNTIL ALL TRAFFIC HAS BEEN PASSED.]**

Does anyone else have traffic to pass? **[WAIT FOR RESPONSE:]**

Does anyone have anything for Swap and Shop? **[WAIT FOR RESPONSE:]**

Does anyone have questions or requests for information? **[WAIT FOR RESPONSE: Query the relay station for possible missed traffic, swap & shop, or requests]**

The York Radio Club meets at 8:00 PM on the 3rd Friday of every Month except February. Meetings are held on the 2<sup>nd</sup> floor in the meeting rooms of the Community Bank of Elmhurst, 330 W. Butterfield Rd., located at the intersection with Spring Road. Please enter through the front door of the bank. You can find a map showing the meeting site on our club web site, [www.yorkradioclub.org](http://www.yorkradioclub.org). Once

that's [www.yorkradioclub.org](http://www.yorkradioclub.org). York radio club is one word.

Our VE Team administers Amateur Radio Exams for all FCC license elements, beginning an hour before each club meeting. For more information, call Mark KB9TVD at (708) 562-6027, or email him at [kb9tvd@arrl.net](mailto:kb9tvd@arrl.net).

We communicate with our members electronically through the **York Radio Club email reflector** at Yahoo.com. If you are not signed up for the reflector and would like to be, please email Steve, [n9ze@arrl.net](mailto:n9ze@arrl.net), or Todd, [w9yk@arrl.net](mailto:w9yk@arrl.net), and they will be sure you get added.

We invite you to join our 70-centimeter repeater net Wednesday evenings at 8:00 PM local time on a frequency of 442.875 MHz, with a repeater offset of plus 5 MHz, and a PL frequency of 114.8 Hz.

Before closing, W9YRC pauses for any further check-ins. Please call net control now. **[WAIT FOR RESPONSE]**

Does anyone have anything to add for the benefit of the Net? Please call Net control now. **[WAIT FOR RESPONSE]**

**[Query the relay station for possible missed check-ins or any other traffic.]**

On behalf of the York Radio Club and all participants, I thank you for joining the net. I now close this net at \_\_\_:\_\_\_ PM local time, and return this frequency to regular Amateur Radio use, and remind you that our 6 Meter Roundtable Net will now begin on 50.150 MHz, upper sideband.

This is W9YRC; good night and 73 from **[YOUR NAME & CALL]**.
