Op Call: _____ Location: _____ Initials: _____

Date:_____ Mode:_____ Band:_____

[illegible]

PLEASE NOTE - You must write clearly with each log entry - all information is required - understand that these paper logs will need to be hand keyed into our log database so that we can properly respond to QSL requests and so we can submit our logs to Logbook of the World (LotW.) for those hams who want to confirm their QSO in that manner. **Neat wins - as well as making lots of contacts!**
