

**Get your FCC amateur
Ham Radio license
Nov 9 & 10, 2019 8 AM to 4 PM**

WHAT CAN YOU DO WITH AN AMATEUR RADIO LICENSE?

- Talk Around The World (without wires or the internet)
- Use The Original Wireless Technology - Morse Code (CW) Voice or Digital
- Talk With Astronauts Onboard The ISS Or Bounce Signals Off Of The Satellites
 - Talk With Other Amateurs around the area or across the country
- Help Your Community In Times Of Emergency Using Your Amateur Radio
- **Countless ways to experience the hobby PLUS learn about electronics, computers and more!**

HOW CAN YOU DO ALL THIS?

You just need a Technician Class amateur radio licence, granted by the Federal Communications Commission (the FCC)

HOW DO YOU GET THE LICENSE?

You must pass a test, which we will prepare you for, so that you will receive your FCC Amateur Radio License

HOW CAN YOU PASS THE TEST?

ATTEND OUR TWO-DAY CLASS and examination session on Saturday, Nov. 9th & Sunday, Nov. 10th from 8am to 4 pm (both days)

You can walk out a licensed radio amateur!

The class is FREE; there is a \$14 exam fee

(required by our national amateur radio testing service, - W5YI Group in conjunction with the ARRL VE Testing Program)

Class meets in the basement meeting room at:

Elmhurst Fire Station #1

404 N York Street

Elmhurst, IL 60126
