
[Designate a station to log check-ins if you cannot do it yourself.]

[A few minutes before the net, contact the person who runs the “Wednesday report” to see if there will be one. Note which one (usually AR Newsline but could be something else.)

Good evening. My name is **[NAME]**, my call is **[CALL]**, and I am Net Control Operator for the York Radio Club’s 70-centimeter weekly Traffic and Information Net. The net meets Wednesday evenings at 8:00 PM local time on this frequency, 442.875 MHz, with the standard repeater offset of plus 5 MHz, and a PL tone of 114.8 Hz. We operate under our club call, W9YRC. All check-ins are welcome.

If any station has emergency or priority traffic, please call Net Control now – emergency or priority traffic ONLY. ***[PAUSE FOR TRAFFIC]***

This net is a Directed Net. Please channel all communications through net control.

Our Net has three ***[or if there’s a Wednesday report: four]*** Segments:

- A Traffic & Information Segment
- A Swap & Shop Segment
- A Tech Segment for any questions or requests for information you may have.
- ***[If there there’s a Wednesday report:]*** A broadcast of this week’s **[Amateur Radio Newsline/or other]** report.

We now proceed to check-ins. Please state if you have traffic when you check in.

W9YRC begins by calling for any low power or mobile stations that may soon be out of range. Low power or mobile stations only please. ***[PAUSE FOR AND ACKNOWLEDGE EACH CHECK-IN.]***

We will now proceed with our regular check-ins.

[BEGIN CALLING THE ROLL. ACKNOWLEDGE EACH CHECK-IN.]

[KEEP AN EYE ON THE CLOCK. BE SURE TO IDENTIFY AS W9YRC EVERY 10 MINUTES.]

[AFTER COMPLETING THE ROLL:]

W9YRC now calls for any regular check-ins wishing to check-in late. ***[PAUSE FOR AND ACKNOWLEDGE EACH CHECK-IN.]***

W9YRC now calls for any other amateur radio operators who wish to check into the net. Those who check in regularly will be added to our regular roster. Please call now. ***[PAUSE FOR AND ACKNOWLEDGE EACH CHECK-IN.]***

Tonight, _____ people checked in to the net. ***[OR CALL THE STATION COUNTING FOR YOU AND ASK FOR THE COUNT.]***

Proceeding to our Traffic Segment, W9YRC calls on ***[CALL THE FIRST ON THE LIST]***. Please pass your traffic. ***[CONTINUE UNTIL ALL TRAFFIC HAS BEEN PASSED.]***

Does anyone else have traffic to pass? ***[WAIT FOR RESPONSES.]***

Does anyone have anything for Swap and Shop? ***[WAIT FOR RESPONSES.]***

Does anyone have questions or requests for information? ***[WAIT FOR RESPONSES. Answer or ask for help answering the questions.]***

[IF THERE IS A WEDNESDAY REPORT:] We now call on ***[name and call of the presenter]*** for the ***[report]***.

[WHEN THE REPORT IS DONE:] Thank you ***[name]*** for presenting that report. This is W9YRC ***[since it may be pushing 10 minutes since the last ID.]***

The York Radio Club meets on the 3rd Friday of every month at 8:00 PM at the Community Bank of Elmhurst, 330 West Butterfield Road in Elmhurst. Meetings are held in the 2nd floor Community Room. Meetings may be streamed via ZOOM. Check the Club website for that and other information: www.yorkradioclub.org. Once again, that's www.yorkradioclub.org. Yorkradioclub is one word.

Amateur Radio Exam sessions for all FCC license elements are conducted before each club meeting. For times and more information, call Mark KB9TVD at (708) 562-6027, or email him at kb9tvd@arrl.net.

We communicate with our club members electronically through the York Radio Club's **groups.io** email reflector. If you are a Club member and not signed up for the reflector but would like to be, please email Bill, wd9end@arrl.net, or Todd, w9yk@arrl.net, and one of them will be sure you get added.

We invite you to join our 2-meter net on the first Monday of every month at 8:00 PM local time on a frequency of 147.420 MHz operating simplex from the City of Elmhurst Fire Station number 1

Before closing, W9YRC pauses for any further check-ins. Please call now. **[WAIT FOR RESPONSES.]**

Does anyone have anything to add for the benefit of the Net? Please call now. **[WAIT FOR RESPONSES.]**

On behalf of the York Radio Club and all participants, I thank you for joining the net. I now close this net at ___:___ PM local time, and return this frequency to regular Amateur Radio use, and please — keep on Hamming. This is W9YRC; good night and 73 from **[YOUR NAME & CALL]**.
